**ORDER**

UPON informal motion of the applicant, made via way of letter, seeking permission to file the supplemental affidavit of Dr. Gábor Lukács, affirmed February 6, 2022;

AND UPON noting that neither the respondent nor the intervener opposes the requested filing;

**AND UPON** determining that the requested permission should be granted because the affidavit appends documents that were not available when the applicant filed its January 17, 2022 motion and because the appended documents are relevant to the applicant's application for judicial review and to its January 17, 2022 motion in respect of disclosure;
