ORDER

Mr. Lukács seeks directions from this Court setting a schedule for the completion of the steps remaining in his application for judicial review before he requests a hearing date.

The *Federal Courts Rules*, SOR/98-106 set the timelines to be followed by the parties to an application for judicial review and there are no compelling reasons why the parties here should adopt an agenda different than that imposed by the Rules.

The applicant shall serve and file his record on or before October 30, 2014. From that date, the Rules shall apply.
